EMPLOYMENT OPPORTUNITY

Environmental Monitoring Review Project Coordinator

The Natural Resource Department is looking to recruit 1 candidate to Co-ordinate the Environmental Monitoring Review Project with Jeremy Brammar starting middle of February.

Requirements:

- Must have experience working with computers
- Must have experience working with Microsoft excel
- Must be comfortable working in a camp setting
- Must be willing to search various sources for reports on monitoring activity in Vuntut territory, and contact multiple researchers if necessary
- Desirable: experience with GIS software
- Desirable: experience conducting environmental monitoring

Additional information:

This position involves about 4 weeks of full time work (37.5 hours a week) between February 19th and March 19th. This will involve compiling a list of all environmental monitoring and research activities that have occurred in Vuntut Territory in the past 50 years, identifying when, where, and what was done, and producing a report and excel sheet describing this history. This information will be used for the identification of a 5 year plan of community monitoring priorities in a late March meeting.

This position will also include brief visits to the climate change monitoring camp in Crow Flat (up to 4 days) between February 19th and March 31st. The candidate will help establish the camp, maintain trails, monitor climate change (through snow track and other animal surveys), and lead educational activities.

Wage: \$39.10 per hour

Closing date: February 13, 2018 at 4:00 p.m.

For further information about this position, please contact: Jeremy Brammer at jeremy.brammer@canada.ca, 966-3261 ext. 269, or at the John Tizya Centre during office hours.

Please submit cover letter that include job experience related to position to:
